Ingleton Wood appointed on 4-year Longhurst Group Framework

Ingleton Wood has been appointed as one of 10 consultants on a 4-year framework for architectural services to the Longhurst Group Limited. The Group members own 15,000 homes in over 40 local authority areas, and include several Housing Associations such as Axiom, St Matthews, Lincolnshire Rural and Framework.

Under the HCA 2008-11 funding programme and with a total estimated construction value of £180m, the Group proposes to build 1,500 homes as part of new mixed-use housing developments across the Midlands and East Anglia, as well as community-related facilities, commercial projects and associated infrastructure works.
