

Who are we?

Great Yarmouth Borough Council is consulting on proposals to redevelop Beach Coach Station car park with approximately 94 high quality affordable homes, associated access, open space and landscaping.

Great Yarmouth Borough Council has commissioned Broadland Development Services to provide development support in a strategic initiative to help deliver more affordable homes in the Great Yarmouth area. Broadland Development Services has developed a reputation for delivering high quality homes as part of well-considered developments and recently obtained planning consent for redevelopment of The Conge with 82 affordable apartments and family houses.

Great Yarmouth Borough Council has almost 6000 properties and is keen to develop quality new homes at this site to meet the housing needs and aspirations of local people.
